I am holding this for [ ] to review. I think he should be aware of this proposed organization for OMS. I think some consideration should be given to whether the alcohol program, or more preferably, a consultative service program and the physical fitness program should be mentioned in the regulation. Any thoughts?

[ ] - I think subpara (2)(c)(i) thru (5) is sufficient coverage for OMS' responsibilities re the alcohol + consultation services program - this reg is intended to cover OMS' basic charting. I've asked LCD to include the physical fitness program per reg suggestion.
